Bible Craft Materials: Index cards and pencils

As time allows Activity: Memory Game

Instructions: Have students sit at tables. Give each student 9 index cards. Have students cut and glue each question on one card, each answer on another card, and each verse on another card. Continue this process until all three questions, answers, and verses have been glued to the cards. (Leader must prepare the questions, answers, and verses ahead of time for students to use.) Backs of index cards must remain blank.

Have students play memory with adults or older students to read aloud for them. Spread out all index cards upside down on table. Take turns turning over 3 cards. Try to remember where various cards are located. When a person turns over a question, answer, and verse that all match, the person can keep the 3 cards and take another turn.

Closing Have students assist with clean-up.
Remind students to practice their memory work throughout the week.
Close in prayer & dismiss.
